Business
Awakening

Day 1
Recognizing the Importance
of a Spirit-Led Business

“Make Room for God’s
Promises and Blessings”

Awareness — What's Really Holding You Back?

Reflections:

Where in my business have I been relying on my own strength and understanding instead of seeking God's direction?

What patterns of striving, performance, or perfectionism do I keep returning to — even though I sense God inviting me to rest and trust?

When have I felt blocked or confused about next steps? What emotions surface when I try to hear God's voice for my business?

Do I believe that God is truly interested and invested in my business decisions — or do I subconsciously separate “ministry” from “marketplace”?

🔍 Exposing Your Limiting Beliefs

What beliefs about money, success, or worth do I carry that don't align with Kingdom truth? (e.g., "Wealth is unspiritual," "I'm not qualified," "I have to hustle to be blessed" or "it's okay to make money, just not a lot of it")

Which voices or influences have shaped how I view business and success more than God's Word has?

How many scriptures in the Bible talk about money, business, and stewardship?

Release — Let's Let That Stuff Go! and Make Room

What specific fears or doubts have kept me from taking Spirit-led action?

Who were you in the past? What old identities or business strategies, is God asking me to lay down today?

What would it look like to fully surrender and trust God as my CEO — to let Him set the pace, partnerships, and priorities?

What do I sense the Holy Spirit is inviting me to surrender so I can receive fresh clarity and direction?

Today's Intention

By the end of this session, you should be able to:

Identify the limiting beliefs that have been blocking divine partnership

Released fear, doubt, and striving

Created space for truth, confidence, and clear identity to take root

Positioned your business to receive God's next revelation

“Be still, and know that I am God.” — Psalm 46:10

Tomorrow we dive into Hearing God's Wisdom!

Day 2: Hearing God's Wisdom in Business

How God Speaks Uniquely
to Business Owners and
Leaders

Session Overview

Now that you've cleared space and released limiting beliefs, it's time to tune in to Heaven's strategy.

God doesn't just speak to "spiritual" leaders — He speaks through business leaders to build His Kingdom in the marketplace.

When you understand how He uniquely communicates with you, you'll begin to receive divine downloads, creative solutions, and strategic insights that no spreadsheet could produce.

"Call to Me and I will answer you, and show you great and mighty things which you do not know."

— Jeremiah 33 : 3

 Today's Result: You'll receive Holy Spirit's divine downloads and specific, actionable guidance for your business.

Understanding How God Speaks

God's voice never contradicts His Word, but He often tailors His communication to your calling.

As a business owner or leader, you may experience His guidance in strategic, creative, and operational ways — because you're stewarding people, vision, and resources.

“I will instruct you and teach you in the way you should go; I will guide you with My eye.”

— Psalm 32 : 8

Here are some of the primary ways God speaks — especially to those called to the marketplace:

1. Scripture (His Written Word)

The most reliable and foundational way God speaks.

Often a verse will suddenly stand out and apply directly to a business decision, relationship, or season.

2. Inner Witness (Peace or Unease)

A deep “knowing” inside your spirit — not emotional, but spiritual.

3. The Still, Small Voice

Gentle, internal impressions or words from the Holy Spirit.

Often short, clear, and calm.

4. Dreams and Visions

Many entrepreneurs receive divine strategy through imagery, metaphors, or vivid instruction while sleeping or praying.

5. Wise Counsel and Godly Mentors

God often confirms direction through trusted advisors, mentors, or prophetic voices who operate in alignment with His Word.

Understanding How God Speaks

6. Inspired Ideas and Creative Downloads

A sudden idea, innovation, or marketing concept that carries peace and impact — this is often Heaven’s strategy disguised as inspiration.

7. Circumstances and Divine Timing

Doors that open or close can serve as divine indicators.

God orchestrates opportunities to align you with His will.

8. Confirmation and Repetition

When the same message, verse, or idea keeps resurfacing — it’s often God’s way of saying, “Pay attention.”

 **9. Through others:** The Holy Spirit often uses other people — mentors, friends, prophetic voices, or even unexpected conversations — to confirm what He’s already whispering to your heart.

 **10. Through prayer:** Prayer isn’t just us talking to God — it’s a two-way dialogue. As you pour out your heart, God responds with wisdom, correction, or encouragement.

 **11. Through times of silence:** In quiet, still moments, the noise of the world fades — and His whisper becomes clear. Silence is a sacred space where revelation often rises. When you stop striving to “hear,” you create room for Him to speak.

 **12. Through conviction in their ‘gut’:** Sometimes God speaks as a deep, internal “knowing” — a conviction that doesn’t come from logic, but from Spirit alignment. You might feel a gentle “check” when something is off, or a surge of certainty when something is right. That’s discernment — His Spirit bearing witness with yours.

 **13. Feeling impressions in their physical body:** For some, God gives physical cues — warmth, peace, chills, or tension — to signal His presence or prompt intercession. These impressions are not about emotion; they’re sensory nudges that help tune your awareness to what Heaven is emphasizing in the moment.

Reflection — Recognizing How God Speaks to You

How have I noticed God speaking to me in the past?

What forms of guidance (peace, Scripture, strong thought, mentors or other people, visions, dreams) tend to stand out most for me?

Have there been times when I ignored a gentle prompting — and later realized it was the Holy Spirit?

What might help me slow down enough to notice God's voice more clearly in daily decisions?

In what ways have I separated the “spiritual” from the “strategic” — and how can I begin to unite them?

Activation — Hearing and Receiving

“Speak, Lord, for Your servant is listening.” — 1 Samuel 3:10

Prayer of Alignment

“Father, thank You for speaking clearly and personally.

**Today I open my spiritual ears to recognize Your voice in every part of my business.
I welcome divine ideas, solutions, and timing.**

Teach me to partner with You in each decision — not by striving, but by surrender.

I trust that You will lead me with peace and clarity.

In Jesus’ name, Amen.”

Exercise: Take 10–15 minutes in silence.

Ask the Holy Spirit to show you a specific area in your business where He wants to give direction or correction.

What limiting beliefs have I had and what truth from Scripture can replace each one?

What does God want me to know about His heart toward my business and my calling?

How will I know when I’m operating from peace and partnership with the Holy Spirit rather than from pressure and performance?

Ask the Holy Spirit:

“What do You want to say to me about my identity as a Kingdom entrepreneur?”

Write down what you hear, sense, or see.

Focus + Application

My Key Revelation from Today:

Action Steps to Apply God's Direction:

- 1 _____
- 2 _____
- 3 _____

“Write the vision and make it plain...” — Habakkuk 2 : 2

HERE ARE SOME TIPS FOR HEARING GOD'S VOICE:

- Expect to hear from God
- Make space to hear everyday Follow through on what you feel, hear, sense, or know with the small things
- Learn to discern His voice/direction (love and peace, not fear and doubt)
- Work on removing the lies you believe around hearing God's voice
- Lining what you hear with what He says in the Bible
- Guard your intimacy time
- Journal what you think he's saying
- Look for the subtle and fast impressions, the almost non noticeable things that come into your mind or your imagination/vision.

🌿 Day 3: Prophetic
Encouragement & Activation

“Receiving Messages from God”

Session Overview

This day is designed for you to **receive**.

Prophetic words will be shared to edify, encourage, and strengthen your role as a Kingdom leader in the marketplace.

As you listen, open your heart and journal what resonates — phrases, images, Scriptures, or impressions that stir your spirit.

These are the seeds of God's strategy for your next season.

“The one who prophesies speaks to people for their strengthening, encouragement, and comfort.”

— 1 Corinthians 14 : 3

You'll leave grounded in faith, equipped with clarity, and ready to lead from heaven's blueprint — not the world's confusion.

Receiving Prophetic Encouragement (obviously you must be present)

As you receive prophetic ministry or personal words today, listen for:

- Confirmation of what God has already been whispering
- Encouragement to step out in boldness
- New insight into your leadership assignment
- God's heart for your next season of growth

“Do not despise prophetic utterances, but test everything; hold fast what is good.”

— 1 Thessalonians 5 : 20-21

Prayer of Activation

Father, thank You for speaking directly to my heart. I receive every word of encouragement and confirmation from You. I choose to lead from peace, not pressure — from revelation, not reaction.

Activate every promise, strategy, and prophetic seed sown this week. Align my heart and business with Your Kingdom design. I declare that I am reconnected, recharged, and realigned with Heaven's wisdom.

**In Jesus' name,
Amen**
